

80^{वें} स्वतंत्रता दिवस समारोह का आयोजन (15/08/2026) Celebration of 80th Independence Day (15/08/2026)

ICFRE-Tropical Forest Research Institute (TFRI), Jabalpur celebrated the 80th Independence Day with a spirit of deep patriotism. The programme began with the rendition of Vande Mataram, followed by flag hoisting by Smt. Neelu Singh, Director I/C. In her address, she paid homage to the freedom fighters, recalled their sacrifices, highlighted India's achievements in defence and scientific research, and emphasised the need to address biodiversity loss and climate change. She encouraged collective efforts towards biodiversity conservation, climate resilience, and afforestation initiatives, including projects with Coal India Limited (CIL) and also highlighted TFRI's contributions in ecology, forest genetics, agroforestry, and forest protection, urging all to contribute towards the vision of Viksit Bharat 2047.

Indoor and outdoor sports competitions were organised for institute employees, and the winners were felicitated during the programme. All scientists, officers, and staff members were present on the occasion.
