

## **Celebration of Van Mahotsav at TFRI, Jabalpur**

Tropical Forest Research Institute, Jabalpur celebrated the *Van Mahotsav* on 06/07/2021 at Bamboo Setum, at TFRI campus, Jabalpur. During the observance of *Van Mahotsav*, the bamboo setum was strengthened by planting of different bamboo species collected from all over India. This bamboo setum will serve as a VMG for future multiplication programs. During the event, Director, TFRI briefed about the need of celebration of Van Mahotsav and planting programmes. Further, the Director emphasized on development of value chain models by linking farmers, wood based industries and financial institutions which will fulfil the Honourable Prime Ministers statement on 'Doubling farm income'. Value chain model especially on bamboo, which is having huge potential in Central India and there is a scope in increasing the productivity of bamboo in farmers' field by supplying QPM of site specific bamboo species and appropriate cultivation techniques.
